

Season Pass Waitlist Application

734) 998-7040 | <http://radrick.umich.edu> | radrick1965@umich.edu

The estimated wait for a season pass as Radrick Farms is 1-5 years. If you are not eligible, and/or are interested in accessing the course immediately, contact the Golf Shop.

To be eligible for a season-pass, one must have a degree from the University of Michigan or be a full-time faculty or staff member of the university. Each spring individuals on the wait lists are contacted based on the number of current season-pass holders who do not renew their season pass.

There is an admission fee of \$50 to join the wait list. The fee will be applied to the individual's initial season pass dues.

Please inform us with any address, phone number, and/or email changes so you may be contacted. The waitlist is not connected with any other University database. Please Note: Email is primary method of contact.
