INTRODUCTION

Radrick Farms Golf Course was the gift of Frederick C. Matthaei, Sr., loyal alumnus and Regent of the University. It is named in honor of his sons, Konrad and Frederick. In 1965, Mr. Matthaei donated the property and funds for the construction of the course at the suggestion of President Harlan Hatcher.

Owned and operated by the University of Michigan, Radrick Farms Golf Course is a championship eighteen-hole course designed by world-renowned golf course architects Pete & Alice Dye. The 275-acre rolling layout is located just east of U of M campus.
