Radrick Farms Golf Course was the gift of Frederick C. Matthaei, Sr., loyal alumnus and Regent of the University. It is named in honor of his sons, Konrad and Frederick. In 1965, Mr. Matthaei donated the property and funds for the construction of the course at the suggestion of President Harlan Hatcher.

Owned and operated by the University of Michigan, Radrick Farms Golf Course is a championship eighteen-hole course designed by world-renowned golf course architects Pete & Alice Dye. The 275-acre rolling layout is located just east of U of M campus.
Radrick Farms Golf Course is operated for the benefit of the University of Michigan Community. Faculty, staff, and select donors may play the course on a daily green fee basis. Eligible golfers can join our Season Pass Holder waitlist.
